

## **Day 38**

**Daily Scripture Reading:** Matthew 6:34

Dear God,

Thank you for the unmerited favor of your love. It is because of the faith you created in me that I have been saved, set apart to do your work, and received your grace. Through Christ, I have received grace upon grace. Father, I sometimes miss the mark and fall short of your will. Thank you for the grace you lavish when I falter in my faith. Praise You for grace upon grace.

You shower the lilies of the field with beauty and feed the birds of the air. Build my faith to depend on You entirely for every need and not on the things of this world or my strength and abilities. Not one day can be added to my life through worry. As my heavenly Father, You know what I need and You provide for all my cares. Help me to trust You to care for me.

**In Jesus Name, Amen.**
