

Day 44

Daily Scripture Reading: Ephesians 1:7

Dear God,

We ask you to reach out and reveal Your truth to our unsaved friends and family members. Intervene, O Lord, in their lives today. Free them from unbelief. Father, please soften their hearts towards You. Let their ears be opened to hear, their eyes to see, and their hearts to understand Your truth so that they might receive Your Salvation through Jesus Christ.

Do whatever it takes in their lives, Lord, to bring them to faith in You. As Acts 4:12 reveals, "Salvation is found in no one else, for there is no other name under heaven given to mankind which we must be saved." Help them to understand that Jesus is the only way to You, Father, and is able to save them completely, living forevermore to intercede on their behalf. Free them from unbelief, dear Father, and give them a new heart and a new spirit within them.

In Jesus Name, Amen.
