

CORE MEETING (1)

What qualified one to be considered the core?

One or more of the following: Attendance, Loyalty, Active, Giving. It's important to note that the CORE is not a leadership group, but it is an identification group.

Why must the CORE be identified?

For the stage of ministry God has moved us and is moving us to, Pastor Anthony must know without a shadow of a doubt who the **ALL- IN** crowd is!

What do we need from the CORE?
