

## **Day 28**

**Daily Scripture Reading:** Matthew 28:18-20

Dear God,

We are living in a time of church exit and the watering down of the purpose of the church. The Holy Spirit and your Word continue to point to prayer, evangelism, and discipleship as the lifeline to save the church. Today I come to you in prayer for my church. I desire to see evangelism and discipleship. I pray that the primary focus of all Christian churches is to point the lost to the saving knowledge of Jesus Christ.

Please give me and my church the heart of evangelism. Give all of us eyes to seek the lost and bring them to you. Let us not forget the core business of the church is soul winning. The gospel is simple; to focus on the simple message of salvation and leading all to Christ. Forgive me when I got distracted from this simple, but yet significant message.

Lord, I pray my church continues growing its new and mature believers. Please birth out our new comprehensive discipleship and assimilation program that meets the spiritual needs of new and seasoned believers. I pray for church growth and church planting to empower our believers. Salvation is not the end of our calling. Father, raise our leaders to build an army of believers emboldened with the full armor of God, ready to train up the members to carry your message to the world. Fill our members and leaders with the power of the Holy Spirit to accomplish your work.

**In Jesus Name, Amen**
