

Day 1

Daily Scripture Reading: Matthew 25:21

Dear God,

Thank You for allowing me to serve You with this gift of life You have given me. As a child of God, I am to shine brightly and reflect You to the world. I do this by living my life with the sole purpose of glorifying the Father; Through my good deeds, men who don't even believe will glorify You. This life on earth is a grace gift from You. It is with joy and much adoration that I thank You through my actions by stewarding every resource and talent I have been given by You. I am grateful for all the finances, time, talents, and passion I can use to glorify Your name and point others to You.

God, please help me to pay attention to where I am giving most of my life. I don't want to give most of my life to anyone or anything besides You.

Help me keep my mind fixed on eternal matters and say no to the world's entanglements. I want to be a faithful steward of the things I have been blessed with so that Your Kingdom can advance on the earth and others may come to know You as I do. Please give me the grace to live boldly for You and not take any moment for granted on this earth. I want to be wise with how I spend every day, making sure that everyone knows who I serve.

I desperately long to hear, "Well done, my good and faithful servant!" I ask right now for the Holy Spirit to ignite a fire and passion in my heart to become a good steward of this precious life that I have been given and it's all for God's glory and name! In Jesus' name, Amen.
