

FUEL THE FINISH

Final Quarter Challenge — October to December 2025

Let's close out the year focused, faithful, and fired up. We're not just coasting—we're crossing the finish line with impact. Every partner matters. Every effort counts. Here's how you can help Fuel the Finish.

1. Fuel the Culture

TNC's culture is built on Transformation, Excellence, and Community.

- Transformation means showing up ready to grow and shift spiritually
- Excellence means giving God your best—on time, prepared, and intentional
- Community means being engaged—don't just attend, connect and serve

✔ **How You Can Help:** Show up consistently, serve faithfully, and help us keep the culture strong.

✦ Get plugged into our Connect Ministries—BRUHS Men, She Rises Women, Empowered Young Adults, and Seasoned Warriors. These communities are designed to help you build relationships and grow in faith together.
