**Become a Regular Tither:** Tithing is the first step towards being a good steward of the Lord's resources. It is a test of our faithfulness to God. When we tithe, it unlocks something in the spiritual realm that enables God to start taking action on our behalf. Tithing means 10%. In other words, when we make \$10, we return \$1 to God. When we make \$100, we return \$10.

**Praise and Worship:** Incorporate regular sessions of praise and worship into your routine, whether through music, singing, or personal expressions of gratitude. This helps foster a deeper connection with God.
