

## **Day 10**

**Daily Scripture Reading:** John 9:1-5

Dear God,

Heavenly Father, thank You for Your call on my life and I bless You that You have entrusted me in this small corner of Your vast vineyard. I pray that I may be a worthy laborer and readily turn my heart and hand to whatsoever task I am called upon to carry out.

I pray that my work in this place may be fruitful, but I also ask that You give me godly patience as I wait for the land to yield its harvest, knowing that the sown seed of the gospel of Christ can take much time to take root, to grow and to mature.

May I not seek for earthly praise or the applause of others in this work that I am called upon to do, but may I seek only to work faithfully and diligently while it is still day, knowing that the night is fast approaching when no man can work. Take my life and work through me so that there may be an abundant, spiritual harvest, for Your Kingdom!

**In Jesus Name, Amen**
