

Day 16

Daily Scripture Reading: Isaiah 26:1-4

Dear God,

Lord, as I prepare to begin another day of work, I seek Your guidance, presence, and blessing in every step I take. I understand that my work is not merely a means of earning a living but an opportunity to serve and make a difference in the world. Help me to approach my responsibilities with a servant's heart, always seeking to bring glory to Your name. Fill me with Your wisdom and discernment as I make decisions, ensuring that they align with Your will. I am grateful for the opportunities and blessings You have given me. May Your hand be upon my work, and may I experience the fruits of my labor as I remain steadfast in following Your path.

Help me be a positive influence in the lives of my co-workers. Empower me to be an encourager and bring joy to those I work with. Give me discernment for the needs of those I encounter today. Enable me to be a good team player that others enjoy working with. Help me make every effort to do what leads to peace and building others up. In

Jesus Name, Amen
